A Round of Applause: Josie's Pizza and Wings – Angel Wings That Is!

A big thanks to MetroWest community partner Josie's Pizza and Wings. Josie's waitresses came to the rescue of fellow MetroWest business partner, MetroWest Golf Club, when they needed it most. The team at Josie's lent a hand when Francine Burruezo of the MetroWest Golf Club needed extra aprons for a West Orange Chamber of Commerce event. The waitresses at Josie's offered up their own waist aprons used at the restaurant for the Golf Club to use at the event. It was a true act of kindness, selflessness and partnership. MetroWest Master Association is proud to have two businesses like Josie's and MetroWest Golf Club who exemplify great business and community partnerships. Thanks Josie's!
