Farewell to Brandy Posey!

MetroWest gives a bittersweet goodbye to Brandy Posey, former MetroWest Master Association Admin. Brandy has been a fantastic support to MWMA, and with her latest accomplishment of completing her Community Association Manager (CAM) License, she is being promoted to Assistant Manager of Orlando's downtown hi-rise condominium, The Waverly, situated overlooking Lake Eola, to begin this month.

We will miss her and all her hard work and accomplishments here at MetroWest, but applaud her next venture with pride!
