July 2014

Local Student Shines

Many thanks to local Olympia High School student Kyle Richard for his participation in the 1st Annual MetroWest Summer Smooth JazzFest! Kyle donated his time and talents to play the National Anthem at the opening of the event – national recording artists and event entertainment, Will Donato and Nick Colionne were so impressed with Kyle’s abilities, they invited him to jam with them during their sets!

Thank you to Kyle for his maturity and musical gift – and thank you to MetroWest area educators, both musical and academic, for all they do to foster the youth of our community.
